

# Timeless Elegance

Mercedes-Benz Official Watch Collection

Luxury in every second, a selection of the finest Mercedes-Benz watches designed for men, women and children

Mercedes-Benz Collection

## Men's Watch

The wristwatch for men can be worn on many different occasions thanks to its elegant design. The stainless steel case has both polished and matt finishes, which form the frame for the convex sapphire crystal with anti-reflective coating on both sides.

Alongside the historic Mercedes-Benz star, the dials also have illuminated dots, treated with the Super-LumiNova® detail.

Swiss Made

B66042022

Ronda 1004 Quartz Movement  
Water Resistant 5 ATM

To ensure a secure fit on the wrist and a high wearing comfort, the elegant men's watch has a high-quality Milanese strap with both polished and matt finishes and a reliable folding clasp.

## Men's Watch

With its square case in stainless steel the modern men's watch is a highlight on any wrist.

The special design is rounded off by a raised Mercedes-Benz star positioned at 3 o'clock. The watch's silver-coloured hands feature Super-LumiNova® luminous material.

Swiss Made

B66959457

Dimensions 36.6 x 36.1 mm

The anthracite-coloured dial features markers styled as a perforation, which enables a view of the black-coloured dial below. Driven by a Ronda 1063 quartz movement displaying the hour, minute and second, it is water-resistant up to 5 ATM and features an anthracite-coloured calfskin leather strap with a pin buckle.

## Men's G-Class Watch

A robust, sporty men's watch inspired by the Mercedes-Benz G-Class. The interplay of square and round case parts, digits in the same typeface as the tachometer on the popular G-Class with illumination of the dial imitates the look of the headlamps.

A raised Mercedes-Benz star positioned at 12 o'clock as well as white digits and silver-coloured hands made with Super-LumiNova® luminous material.

Swiss Made

A date feature and the display of a second time zone completes the specification. The men's G-Class watch, which works with a Ronda 515.24H quartz movement, is water-resistant up to 5 ATM and with a strap in silicone with mouldings on the surface, which are reminiscent of the scuff rails on the G-Class, it offers optimum wearability.

Dimensions 42.5 x 42.5 mm

Retail Price

IDR 9.640.000

Mercedes-Benz Classic Collection

## Women's Classic Watch

A stainless steel case with a polished surface and yellow-gold coloured PVD coating lends the classically elegant women's watch an inimitable appearance.

The special look is completed by silver-coloured pointers and digits, with eight fitted crystals, located in a zone descending to the centre, leading to a high-quality three-dimensional look.

Swiss Made

B66045748

Diameter 36 mm

The milanese mesh strap in stainless steel with yellow-gold-coloured PVD coating ensures that the watch is comfortable to wear. The watch, which features a high-quality Ronda 1062 quartz movement is water-resistant to 5 ATM.

## Men's Classic Watch

The classic wristwatch for men with a stainless steel case is equipped with both polished and matt finishes. A convex mineral crystal, with anti-reflective coating on both sides, also allows for a clear view of the silver-coloured dials, separated by various cuts and embossings.

The delicate "Clous de Paris" embossing in the centre of the dials in particular has a very refined effect and is enhanced by the historic Mercedes-Benz star.

Swiss Made

Diameter 40.5 mm

Ronda 1019 Quartz Movement with Satellite Seconds Subdial - Water Resistant 5 ATM

The blue-coloured needles are treated with Super-LumiNova® detail, allowing the time to be easily read in the dark. Alongside a date display at the level of the 3 o'clock marking, there is also a satellite second dial near the 6 o'clock position. To ensure that the classically elegant men's watch can be securely fastened to the wrist, it has a calfskin strap with a buckle.

Mercedes-Benz Classic Collection

## Men's Classic Watch

Elegant design for every occasion, the Classic Automatic watch inspires by its elaborate workmanship and historic Mercedes-Benz logo at the 12 o'clock mark.

The watch has a bronze-coloured hand with its case made from bronze, enhanced by a stainless steel base and an arched sapphire glass with anti-reflective coating on both sides.

Swiss Made

B66041677

Diameter 42 mm

Sellita SW 200  
Automatic Movement

Water Resistant 5 ATM

Thanks to the brown leather strap with perforation and a high-quality pin buckle made from bronze, the accessory ensures pleasant wear comfort. Due to the use of the material bronze, the watch, through a chemical process, can acquire a patina over time and change its colour.

Retail Price **IDR 12.423.000**

## Men's Classic Watch

The classic men's chronograph watch thoroughly impresses as a practical and stylish accessory. The timepiece has a stainless steel housing and a rose gold-coloured PVD coating.

As well as silver-coloured convex dial with finely printed hours and minutes within a three-dimensional cap structure in the centre.

Swiss Made

B66041617

The hour markers and rose gold-coloured hands have luminous detail to ensure that the time can also be easily read in the dark. The brown leather strap with crocodile effect ensures that the watch can be worn comfortably.
